Great opportunity for Special Educators, General Educators, Related Service Personnel and Families of Children with Down Syndrome.

Early Success: Preschool Inclusion

An overview of the benefits of an inclusive preschool placement, including appropriate expectations, establishment of natural supports, the presence of appropriate models and optimal instructional opportunities, and an opportunity to demonstrate success in a general education placement will be discussed. Support strategies will be presented including adapting curriculum to address IEP goals across skill domains, enhancing social interactions, and decreasing problem behavior.
