I am a Non-Attorney Special Education Advocate who works with parents and families throughout Long Island, NY. I completed the Council of Parent Attorney and Advocates (COPAA) Special Education Advocate Training (SEAT 1.0) and (SEAT 2.0) year intensive Advocate training program. To stay current with special education laws, regulations and topics, I frequently attend professional development workshops, conferences and webinars. I am an active volunteer and served as the President for my school district's Special Education Parent Teacher Organization (SEPTO). I am also a proud member of the Council of Parent Attorney and Advocates (COPAA).

DSAF workshops are funded through a grant from Office of Persons with Developmental Disabilities (OPWDD). In order for us to maintain this funding, and continue supporting families, we need to clearly show that we are serving families who currently have TABS numbers and have Family Support Services (FSS). Thus, if you applied for and received a TAB number through OPWDD, we will be asking you for that information when you attend our grant sponsored events. Thank you for your support!
